Data sheet:
WL-547 IT

Product code : WL-547 IT
Product name : Wireless ADSL 2+ Modem Router 300N + USB dongle w/splitter
EAN code : 8716502017911

Use this Wireless ADSL 2+ Modem Router 300N to set up a wireless home network with superior throughput and an unparalleled wireless range. This Router enables you to wirelessly share files and broadband Internet access, as well as the peripheral devices attached to the PCs in your network. Thanks to the integrated WPS technology, this Router makes it easier than ever to connect and protect your PCs or laptops in a wireless network! Just one press of the button, and the wireless connection is established, including automatic transfer of the WPA security included in the Router. Thanks to the built-in ADSL modem, you can connect this Router directly to your ADSL line.
